

A Message from the Fundraising Group

The fundraising group is part of the Stewardship group and responsible to the PCC. We liaise closely with other groups, for example the Community group.

We ask that you take note of the principles that underpin this challenge:

- We are seeking the collective help of the community and all those who have links at Christ Church.
- We want to harness the skills and efforts of all.
- Whilst we will oversee activities, we cannot do all the work. We expect there to be a whole congregational approach to contribute and support the Christ Church Challenge.
- We encourage you, if you have a skill, an idea or can contribute in any way, to PLEASE talk to us. We would encourage you to join a working group if you are interested.
- We do not expect people to be out of pocket – expenses and costs to individuals undertaking fundraising activities will be reimbursed.
- We need to work with and engage our community and village of Oakworth. We appreciate there's lots happening in the village and are not in competition; we can all work together.
- We will apply for grants and consider funding sources.
- We will keep you informed but we need you to be involved and share the messages about what we are doing.
- We are mindful that this is an ongoing project – it won't happen all at once.

We want to say, “THANK YOU”, we appreciate all your help and support.
